5. Additional required information

Software certificate In addition to the user account, a software certificate is needed in order to log in to the Emission Trading Registry. The software certificate is an identification which has the purpose to guarantee that only authorized users will have access to the ETR. For more information: https://www1.stem.se/etjanster	Signing by relevant authorised representative To use the E-services, persons authorized to sign for the firm have to send in a copy of the legal authorization from the official register. Proxies need a letter of attorney to demonstrate that he/she is entitled to represent the legal entity concerned. Authorizations and letters of attorney should be sent to: Energimyndigheten Att: SUS Behörighetsadministratör Box 310 SE-631 04 Eskilstuna, Sweden
