^(a) The same installation can carry out activities falling under different subheadings. All relevant activities should be indicated. Please use the codes for Annex I activities listed in the table to question 3.3.

^(b) The main activity at an installation can be other than an Annex I activity. Please fill in where relevant.

^(c) Please indicate 'new entrant', 'closure' or 'falling below capacity thresholds'.

^(d) For new entrants, please indicate the years for which the quantity of allowances was allocated. For closures, please indicate allowances issued during the remaining trading period, if applicable.

^(e) For new entrants, please indicate the code associated with the allocation of the allowances.
